October Theme: **Courage**

"You have plenty of courage, I am sure," answered Oz. "All you need is confidence in yourself. There is no living thing that is not afraid when it faces danger. The true courage is in facing danger when you are afraid, and that kind of courage you have in plenty."

Officer Reports

- Lindsay Kjar

Field Trip Filming: produced the student council video, a get to know you video, a music video about hygiene, will post when ready, in October the plan is to edit the truck visit, for November, tour of the Utah Capital in November along with veterans week celebration, along communication with Councilman Simonsen for dedication of the park and the brick (Veteran's Day), there is possible video shoot with the police officer to be rescheduled, for January possible tour of the kitchen/food distribution, talk to the kitchen staff about getting that video out,

-In order to attract more attention to the PTA field trip videos, release them on the same day (Friday for school and PTA goes out on Mondays) or possibly put videos out on teams, there is worry that putting videos out just on the school website is a security concern and questions about the privacy level of the videos

-In order to address privacy/security concerns talked about giving PTA a channel on teams for the PTA and top only allow access of videos through email to parents

- Marla Keller

School Directory: Megan Becker and Peggy assembling directory, Peggy did send email to confirm opt-out students, so the directory should be coming shortly, the goal is to have

-Tiffany Ivins is working on Veteran's Day, they would like to use Robert Oaks (four star general); they were wondering if they can do an outdoor assembly (weather cold threat) could do grade level in the lunchroom, can he go class to class?
